Goodbye Automated Phone Service!

As promised at the 2014 Annual Meeting, we have installed a new phone service that we think our members will really appreciate. No more automated answering service or need for members to "self-direct" their call. When you call, we answer (during business hours of course). We've also incorporated a new phone number, which will ring into both branches. While the old numbers will continue to work for sometime, **you can now reach either branch at 641-424-2368!**

New Phone Number: 641-424-2368

HAWKS vs CLONES

Thank you!

The staff and board of MCLG Family Credit Union would like to thank the more than 800 guests who helped make the Hawks vs. Clones Member Appreciation Day a huge success! If you weren't able to make it or weren't one of the lucky few to win a raffle don't worry, we're already planning next year's event and it's going to be bigger and better.

We'd also like to thank those who donated to our Children's Miracle Network drive. Together we were able to raise over \$600.00 for Credit Union's for Kids, whose profits are earmarked for the construction of the new University of Iowa Children's Hospital.

A very special congratulations to Susan VanLaere for winning the 55" Toshiba TV!
